On January 15th 2009, Capt. Chesley "Sully" Sullenberger (Tom Hanks) tries to make an emergency landing in New York's Hudson River after US Airways Flight 1549 strikes a flock of geese.

Miraculously, all of the 155 passengers and crew survive the harrowing ordeal, and Sullenberger becomes a national hero in the eyes of the public and the media.

Despite the accolades, the famed pilot now faces an investigation that threatens to destroy his career and reputation.

Choice of either a beef, veggie or haloumi burger each with salad included in the ticket price £10
